

CUBES

1.5 INCH CUBES

Larger than a Kold Draft, smaller than a large format, these are perfect for stacking two to a rocks glass, in shaken or mixed cocktails where a single cube isn't appropriate.

Minimum Qty: 20
Price: \$0.45 each

2 INCH CUBES

Standard size large format cube. The side edges will all but disappear completely, making this a striking choice for straight spirits or boozy, stirred, and clear cocktails.

Minimum Qty: 20
Price: \$0.55 each

3 INCH CUBES

Got the carving itch? Perhaps you have an ice press! This size is perfect for beginner sphere carving, and designed to fit without shifting in a press.

Minimum Qty: 20
Price: \$1.50 each

4 INCH CUBES

Gorgeous in punch bowls, this large cube will keep punch cold for hours and hours.

Minimum Qty: 5
Price: \$4.00 each

6 INCH CUBES

Designed for larger punch vessels, or for advanced ice carving, this huge piece ice can be used in a variety of different ways.

Minimum Qty: 2
Price: \$14.00 each

COLLINS

5 INCH COLLINS

Another modern classic, these pieces will be invisible in clear drinks. We recommend carbonation, as the bubble formation on the cube is often the only visible sign it is even in the glass!

Minimum Qty: 20
Price: \$0.60 each

6 INCH COLLINS

A slightly longer version of our 'Collins' cube, these beautiful pieces completely disappear in larger glasses.

Minimum Qty: 20
Price: \$0.65 each

CHUNKS, SPHERES & ORBS

**ORGANIC CHUNK
2.5-3 INCH**

A beautiful workhorse, no two chunks are alike. This a great, cost-effective way to have beautiful ice and efficient drink cooling for large events.

Minimum Qty: 20
Price: \$1.00 each

**HAND CHIPPED
SPHERE 2.5 INCH**

A completely classic ice shape. The micro-fissures and tiny air pockets in the surface of the ice not only catch light beautifully, enhancing the look of any cocktail, they also allow for maximum cooling in the glass.

Minimum Qty: 20
Price: \$2.50 each

**PRESSED ORB
2.5 INCH**

A new modern classic, these magnifying orbs are a fantastic way to show off subtleties in color of straight spirits, or bubble formation in carbonated cocktails. This shape is often referred to as 'luxury' ice.

Minimum Qty: 10
Price: \$3.00 each
